

# FAQ Donating Comics

Thank you for considering donating your comics for the kids in hospitals and cancer centers. Hopefully this FAQ addresses all your questions but if not, we will be glad to clarify any and all questions that you have!

## **1) Can I donate my comics?**

A) Of course!! We have to request that the comics are or look just about new. Hospitals have infectious disease control policies. As such hospitals want comic books that have been taken care of and if they are not new, look almost new.

## **2) Do you accept all titles?**

A) Remember that these comics are being donated to children. Since many comic books today have mature themes, language and adult language, we cannot provide any type of that material to the children. This quite often eliminates many of the independent titles that are available. Teen and Teen+ titles as noted in the bar code are acceptable. All donations should remove those titles that are mature.

## **3) Where are you located?**

A) We are located in the Chicago area. All donations can be dropped off with prior approval or mailed to us.

## **4) Does ComicBooks For Kids! pay for shipping of my comic books to you?**

A) ComicBooks For Kids! cannot pay for shipping your comics but we can provide you with a donation receipt.

## **5) Is ComicBooks For Kids! an IRS approved charity?**

A) Yes, ComicBooks For Kids is defined as an IRS 501(C)3 charity.

**6) So does ComicBooks For Kids! provide me with a donation receipt?**

A) Yes, we provide all donors with a donation receipt. Each receipt has its own unique identifier which we maintain.

**7) Will your donation receipt tell me the value of my donation?**

A) As an IRS charity, we cannot monetize or provide any valuation of your donated comics. We recommend you document what you are donating, take pictures and keep this paperwork together with the donation receipt you will receive.

**8) Can we just donate cash to your organization?**

A) Of course. We have a paypal button on our DONATE page.
